Important information about your Lifetime Pension account

In order to support you better so you can achieve your retirement goals, your Aware account is being streamlined and simplified. This means accessing the help and support you need is becoming even easier.

There is no change to the way your Lifetime Pension account works and your income payment dates will remain the same.

Key dates you need to know

We'll be upgrading our systems between **3pm Wednesday 26 April** and **9am Wednesday 10 May 2023**. If you want to make any changes to your account, be sure we receive your paper instructions before **5pm Monday 24 April 2023**. These dates are subject to change. And if any dates change, we'll publish the new dates on our website at aware.com.au/sen

There's nothing you need to do
